Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/201/21/PL
Site Address: Ravenna Richmond Avenue West Bognor Regis PO21 2YG
Description of works: Erection of a new building comprising of 3 No apartments (2 No 2 bed units & 1 No 1 bed unit), including alterations to the fenestration of the existing building (resubmission following BR/176/20/PL). This site is in CIL Zone 4 (Zero Rated) as flats.

Thank you for your internet representation made on 12th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41155

More dwellings will have an impact on an already congested road. The junction is already an issue where people drive carelessly with high speeds, let alone the cars that park close to each side of the junction. We frequently have to park down the road because people park outside our house across our drop kerb as they have no where else to park. Having more cars also creates more parking issues. Cars / vans already park up on the pavements causing no access for people on foot. There is limited access for emergency vehicles due to the amount of cars/vans parked. More dwellings will cause more parking issues

Your views as made above will be considered before the application is determined.
