Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: BR/201/21/PL  
Site Address: Ravenna Richmond Avenue West Bognor Regis PO21 2YG  
Description of works: Erection of a new building comprising of 3 No apartments (2 No 2 bed units & 1 No 1 bed unit), including alterations to the fenestration of the existing building (resubmission following BR/176/20/PL). This site is in CIL Zone 4 (Zero Rated) as flats.

Thank you for your internet representation made on 12th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41156

Having more flats will mean the need of available parking, to which this road does not have. Everyday we have people parking either across my gate so i can't get my car out, or they park either side of the gate so i can not see to get out safely. As i said last time, access is already limited for the rubbish truck and emergency services due to the way cars have to cram into the road. Cars are often parked up on the bend of the junction. There is going to be a serious accident, due to the speed and blind spot . This road can not take any more cars for parking.

Your views as made above will be considered before the application is determined.
