Dear Maria,

In relation to the above application, please may EH make the following comments:

- No development shall take place, including any works of demolition, until a Construction Management Plan has been submitted to, and approved in writing by, the Local Planning Authority. Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters:
 - a. An indicative programme for carrying out of the works
 - b. Details of the arrangements for public engagement / consultation both prior to and continued liaison during the construction works
 - c. Measures to minimise the noise (including vibration) generated by the construction process to include hours of work, proposed method of piling for foundations, the careful selection of plant and machinery and use of noise mitigation barrier(s)
 - d. Details of any floodlighting, including location, height, type and direction of light sources and intensity of illumination
 - e. the parking of vehicles of site operatives and visitors
 - f. loading and unloading of plant and materials, including permitted times for deliveries
 - g. storage of plant and materials used in constructing the development
 - h. the erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate
 - i. the provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulations Orders)
 - j. measures to control the emission of dust and dirt during construction
 - k. a scheme for recycling / disposing of waste resulting from demolition and construction works i.e. no burning permitted

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Adoption Arun Local Plan 2011 – 2031

- No construction activities shall take place, other than between 08:00 to 18:00 hours (Monday to Friday) and 08:00 to 13:00 hours (Saturday) with no noisy working activities on Sunday or Bank Holidays

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Adoption Arun Local Plan 2011 – 2031

- The sound insulation of the floor/ceiling between the floors shall achieve a minimum airborne sound insulation value of 50 dB (DnT,w + Ctr). Before the proposed B&B use can be operated, a test shall be undertaken by a competent acoustician and submitted to the Local Planning Authority to demonstrate compliance with this level.

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Adoption Arun Local Plan 2011 – 2031

- The owner(s) of any commercial property (warehouses, offices, etc.) built before 2000 are legally obliged to hold a copy of an asbestos register for each property in their portfolio. As the proposed development is being renovated to residential, the Council need to be satisfied that if any asbestos previously identified is still present, it is either removed or suitably managed to minimise risk to human health as there is no safe threshold for asbestos exposure. A copy of the asbestos register, and any remedial strategy (where appropriate), must be provided in writing to the Local Planning Authority prior to any works commencing.

Reason: To protect the amenity of local residents in accordance with Policy QE DM4 of the Adoption Arun Local Plan 2011 – 2031

I believe PSH have also been made aware of this application and may therefore respond separately.

Many thanks,

Kate.
