Good afternoon,

Following my last email, I have also noticed that the block plan has an annotation for a proposed extension on it. As the extension has already been constructed and no operational development is proposed under this application, please could this be removed?

I would be grateful if you could get the amended/additional documents to me by 16 December.

Kind regards,

Good morning,

I have just been looking through the planning statement for your application at the address above. In the statement, you reference an owner's statement, which provides further details about the period over which the property was marketed. I can't see this within the submitted documents. Please could you either point me in the right direction or send over a copy to assess?

I look forward to hearing from you.

Kind regards,
