Ross

I'm glad your back; I now have a contact to air my disputes with the planning-system.

I have spoken to Stella and she is in agreement with the extension-of-time you have requested.

Regards

Daniel

Dear Daniel,

You may or may not recall me, but I dealt with your application for: Renovation & repair restaurant & flats above including ground floor extension & change of use to 2 No. self-contained flats – BR/106/16/PL.

I'm now back at Arun DC and I have been passed your shopfront application. I was passed this one last week, just after I arrived at Arun on a further contract. This application has expired in terms of the decision due by date on 06/10/2017 and has already expired when passed to me.

I intend to recommend planning permission for the shopfront by the end of next week. It would be helpful if you and your client would agree to a short extension of time (EOT) until the end of next week in order to accommodate the issuing of the decision. In other words, an **EOT until COB on 24 Nov 2017**.

I would be grateful if you could confirm this. Many thanks,

Ross

PS

I have tried to call but your mobile is switched off at present.
