Dear Sarah,

Sorry I was off ill all last week and so have only just listened to your message.

I have around 40 applications due for decision before yours and I would therefore suggest that it will be another 1-2 months before we can issue a decision. I am sorry but case loads have been higher than usual for many months and this has created a backlog.

Kind Regards

Hello Simon

Further to my telephone message, I would be grateful if you could provide me an update on the progress of these applications, as we are keen to progress works.

I have seen the positive response from the Conservation Area and am seeking further info from my architect on the proposed window to replace the entrance door into flat 6.

With thanks
