Reference:	BR/282/15/PL
------------	---

Date (DD/MM/YYYY):	12/02/2016	(Must be pre-application submission)
--------------------	---	--------------------------------------

Details of the pre-application advice received:

Initially BR/178/15/PL was refused, albeit this PA was for the same purpose as BR BR/282/15/PL. After a meeting with Mr Vick and Mr R Temple at the ADC offices, Mr Vick stated that "it wasn't what you want to do: It's where you want to do it". Andrew Clark questioned "In a seaside town that relies heavily on it's leisure facilities, you are telling me that there are no suitable properties for the leisure industry to form a business?" Mr Vick acknowledged the issue. A compromise was agreed, in that temporary change of use would be given on two understandings: For ADC, the facility and its need within the community should be proven. (It has!) For Minilight Leisure service C.I.C, If the need was proven, than Mr Vick offered, either a permanant change of use for the existing building, or he would find Minilights "somewhere else". As pointed out by Andrew Clark, "somewhere else", especially suitable premises, could be more expensive than Minilights could afford, so it would then probably have to ask for "additional help". However, with the ends of Durban road leading to residential areas, the current site is the prime location for this facility. (Minilights, despite having an initial grant from JAWACC to help with the flooring, has been completely self-funding)
