Hi Michael,

No further conditions as they only do teas/coffees/biscuits etc. and as such are very low risk.

Thanks

Fiona

Subject: Planning application BR/205/17/PL - Environmental Health response

Hi Fiona,

I am preparing the report on planning application BR/205/17/PL for the permanent change of use of use from B1 office to a soft play facility at South Bersted Business Park.

Please find attached your consultation response which refers to the re-imposition of the café conditions. There are no café conditions on the existing planning permission for temporary use of the premises as a soft play facility.

What conditions would you like imposing on the permanent planning permission?

Kind regards,

Michael Eastham
