PLANNING POLICY GUIDANCE:**CONCLUSIONS**

PRINCIPLE

The proposed development is situated within the Built up area boundary where the principle of development is acceptable subject to accordance with relevant development plan policies. As stated in SDSP2 the key policies considered are DDM1 and DDM4 and the Bognor Regis Neighbourhood Plan.

DESIGN AND VISUAL AMENITY

The proposed extension is situated to the side of the property and will therefore be visible in the street scene. Although the extension will be prominent in the street scene it is considered that due to the siting and size of the proposal it will be well integrated and subservient to the main dwelling. The materials used will match that of the existing dwelling and it is considered that the development will not have any unacceptable adverse impacts upon the character of the area and accord with the policy DDM1 and DDM4 of the Arun Local Plan. Bognor Town Council has a 'made' Neighbourhood Plan however none of these policies are considered relevant to this application.

NEIGHBOURHOOD RESIDENTIAL AMENITY

The proposed extension will be sited to the side of the dwelling and will extend approximately 10.40m in length, 5.06m in width and with a height of 2.75m. The proposed single storey side extension will be situated approximately 1.75m from the Northern boundary and approximately 10.63m from the Eastern boundary. The proposed extension will extend no further forward than that of the existing line of the main dwelling. By virtue of the proposals siting, design and scale it is considered that the development will not result in any harmful overbearing, overshadowing and overlooking impacts upon the neighbouring residential amenity and therefore in accordance with policies DDM1 and DDM4 of the Arun Local Plan.

SUMMARY

It should be noted that on the Block Plan the distance from the Eastern boundary to the proposal should be 10m and not 4m as indicated on the plan.

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions and informatives.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

Duty under the Equalities Act 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).
