Please ask for:
Mr S Davis

11th September 2014

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Construction of 1No. 2 bedroom chalet bungalow
Land adj to 65B Gravits Lane Bognor Regis

Thank you for your internet representation made on 11th September 2014 which has been recorded as '**an objection**' with the comments as follows:

We have over crowding of cars parked outside houses along this road, a further property will create more people into this area for visitors parking outside and depending on how many cars the new owners would have as only one car will be given as off road. We are a busy road for pedestrians as we have the main walk thro to the school behind. Its hard enough to pull out of drives trying to miss parked cars as it is so bringing more cars I to the area for one development i feel is not necessary. Access to the water station will be in front of this new development and may be of concern as we have frequent problems. Changing the layout of 65b and placing a driveway in front of the house instead of where the proposed new house is of concern. Its a very dangerous bend with no visibility to turn right so cars entering and being confronted with a car coming out of this driveway would be a concern.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Assistant Director Planning & Economic Regeneration
