Dear maria,

we are now in receipt of the Notice (below).

is the application now valid and will continue as before OR are you requesting a new application and a new time for representations will commence.

clearly, this application has been prejudiced because we have missed our opportunity to have 21 days to prepare and make representations both to yourselves but importantly also to invite the environmental health officer and other statutory consultees to visit the site and discuss the issues with them.

In our opinion the application must recommence and be re advertised otherwise what is the point in owners notices?

it is a criminal offence under the Town And Country Planning Act 1990 (as amended) to avoid serving such a notice.

please let me know how matters will proceed, many thanks indeed.

Adrian
