Subject: BR210/09 11 Stocker Road Bognor Regis - Proposed detached single storey smoking room

Please find amended comments for this application below:

Planning Application BR/210/09 11 Stocker Road, Bognor Regis
Proposed detached single storey smoking room

I have the following comment to make in regard to the above application:

Under the Smoke-Free (Exemptions and Vehicles) Regulations 2007, Regulation 5, the smoking shelter can be classed as a designated room but the applicant must ensure that:

1. the room has been designated in writing by the person in charge of the premises as a room where smoking is permitted
2. the room must be clearly marked as a room where smoking is permitted.

If you have any queries regarding the above please do not hesitate to contact me.
