Dear Sir/Madam

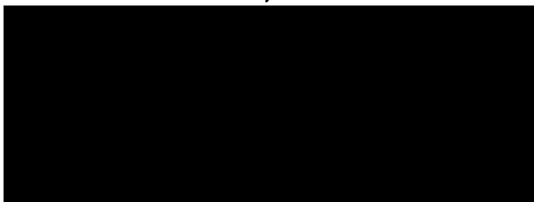

Please find enclosed documents in relation to removing the age restriction from our apartment
43 Rock Gardens.

We have tried to research to the best of our ability and can find no formal documents pertaining
which flats were originally given the age restriction clause.

We tried at the Council Offices where we understand that there was a significant number of microfilm
pages missing and we have enclosed a letter received from Mr Bence which tells us how the 21 flats were
selected at the time but he has no documentation as evidence.

We have also enclosed a document showing clearly where our garage and parking space is located.

Yours sincerely

Mike & Carole Meek
