Subject: BR/212/13 - Changes to window details on the front east elevation, Flint House/The Old Bakery, Bakery Lane, Bognor Regis

Dear Mr Pickup,

From a site inspection the existing windows on the front elevation are a mixture of white and brown PVCu. The application states that the windows are to be white PVCu with leaded lights. I am of the opinion that brown windows would be more appropriate on this elevation as they would be more in keeping with the brickwork/flintwork.

Would you be happy to amend the application.
