Subject: BR/213/13 - Single storey side extension at 30 Kew Gardens, Bognor Regis

Dear Mr Haga-hammand,

I am the planning officer dealing with your application. I have just noticed that on the floor plan 1:100 which shows footings it appears that the foundations are encroaching on the neighbouring boundary No 28. Can you confirm that the proposed extension is within the boundary of No 30. If so, can you please amend the plan.

Regards

Janice Chapman
