Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/213/21/HH
Site Address: 12-14 The Steyne Bognor Regis PO21 1TP
Description of works: Erection of front porch extension, installation of first floor double balcony and external facade alterations (This application may affect the character and appearance of The Steyne, Bognor Conservation Area)

Thank you for your internet representation made on 13th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41863

While I have no objection to the erection of balconies in principle, the proposed balconies are significantly deeper than the neighbouring balconies which are wider properties. As a result they will be noticeable in jutting out over the road and be out of proportion with the surrounding properties and The Steyne Conservation Area. I also have some concern that the proposed Juliet balcony on the top floor of #14 includes a glass front, which is not in keeping with the style of the house or neighbouring properties. If these details were revised to bring the proposed changes in line with the style of The Steyne Conservation Area, I would have no objection to the erection of the balconies.

Your views as made above will be considered before the application is determined.

Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely
