David

Thanks for following up on the approved conditions.

We agree to an extension of time as you describe.

Yours sincerely

Tony Russell

Hi Tony,

System 'says' it was completed on 12 October – I have asked planning admin to check and resend.

Can you agree to an extension of time in order for you to provide the additional information and for time to re-consult WSCC Highways. If you can agree through to 9 December.

Regards

David

David

Thank you for your message received on Friday afternoon. We have notified the contractor and the University accordingly and have requested a correctly updated CMP.

We are also requesting an update on progress with Southern Water and will provide additional information as it becomes available. We note your requirement for a new submission where applications have been refused.

We have not yet received any formal notification from Arun District Council regarding conditions which are approved (eg. archaeology). Should we have received something in writing from you?

Yours sincerely

Tony Russell
