Dear Sir,

Planning Application Number BR/214/18/PL

This has been a tyre shop for over 40 years and prior to that was a petrol station.

This is a Conservation Area and building on these old tennis courts will change the character of the area by enclosing West Street once and for all.

People park cars all over the place now and congestion and obstruction to the highway will only increase.

Please reject this application to build on the old Royal Norfolk tennis courts - now privately owned.

Yours faithfully
