Dear Sir/Madam,

Re: Planning Application BR/214/18/PL

It has come to my attention that a

further planning application has been made

to develop the old tennis court area of the

Royal Norfolk Hotel. I would like to raise a

number of objections. First the character of

Bognor Regis has been eroded by 'in fills and

this planning application would do just that.

Second the Royal Norfolk is a Grade 2

listed building and is in a conservation

area and I will obviously alter that

conservation area significantly, particularly

from the sea front. Third planning application

is for a terrace of 4 houses of 2 stories with an additional bedroom in the roof of 2 of them and as they are providing parking for 2 cars per property it will increase entry and exit to West Street which is already a busy road.

I would urge you to refuse this planning application on the grounds of creeping development in a conservation area which is contrary to the local plan.

Yours-sincerely,
