Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection of four terraced residential dwellings, garden/cycle storage sheds & associated car parking, utilising the existing access - This application may affect the character & appearance of The Steyne, Bognor Conservation Area & will affect the setting of a Listed Building

Former hotel tennis courts adj to The Royal Norfolk Hotel West Street Bognor Regis

Thank you for your internet representation made on 20th November 2018 which has been recorded as '**an objection**' with the comments as follows:

I object to the planning application Ref No; BR/214/18/PL on the following grounds:

The Royal Norfolk Mews Management Ltd (RNMM Ltd) owns the access drive and the adjoining land to the current Mews, known as Royal Norfolk Mews, on which the access to the proposed development will run.

The transfer document of 8th May 2008 includes a covenant giving the transferor right of access over the entrance road through an entrance to the retained land in a position to be agreed between the transferor and the transferee. This agreement was reached and the existing wooden gates were erected and a dropped kerb installed for access to the retained land.

The layout of the Royal Norfolk Mews took this into account.

However, the new plans deposited with Arun District Council ignore this agreed positioning and place the entrance at the western end of the development to the detriment of the visitor parking owned by RNMM Ltd.

It is also unsafe for vehicles entering & exiting.

This is unacceptable and the plan should be adjusted to reinstate the previously agreed entrance.

Regards
