20th November 2018

Dear Sirs,

Planning Application Number BR/214/18/PL

I am writing to urge you to reject the above planning application.

My reasons are:-

- 1) It is the last open space in West Street.
- 2) Royal Norfolk is a grade 2 listed building.
- 3) The proposed building would be in a conservation area.
- 4) Any new building would detract from the hotel's special setting.
- 5) West Street is one of the oldest streets in Bognor.

I have been visiting Bognor Regis several times a year for at least 30 years and would be very sad to see this beautiful open space built on. Please reject this planning application.

Yours faithfully,

Ms Louise Downes
