Dear Adrian,

FYI. I am unsure what Mr Pullen is asking me to do particularly noting the ownership is not a planning consideration and that you have now served notice on them but will upload this as an application comment.

Kind Regards

Good Afternoon Mr. Davis.

Upon return from holiday I have found an email from ACHPlanning informing me that you can find no evidence that Herongate owned more than the access way to the land off West Street. The land Registry reference for the sale of the dominant land is WSX322055. Could you kindly confirm that all is in order.

Best regards – Keith Pullen
