Dear Adrian,

Thank you for your email. I would be grateful if you could agree an extension of time until the end of January 2019. I appreciate that this is a sizable extension of time however, I have 14 applications to do before yours and our offices are closed over Xmas.

I will now also chase my Conservation Officer as his response will likely determine whether or not this will be a delegated refusal or a recommendation of approval to Committee.

Kind Regards

Dear Simon

I note from our records that determination of the development proposal expired on 26th November. Accordingly, would an extension of time be appropriate in circumstances, if so please contact me for our approval.

Kind regards,

Adrian
