Martyn – FYI (for further consideration?). I am going to try to speak to you about this site next week as the agent has asked us to give advice on what could be acceptable to us.

Kind Regards

Dear Simon

Happy new year and all that – I hope you has a good one.

Please find attached my response to 'heritage and conservation' consultation response.

I will leave it in your capable hands to assess the development proposal in accordance with the development as it now stands rather than just repeating what was previously decided in the last appeal.

Let me know if I can be of any further assistance or you need any additional time.

Kind regards

Adrian
