Subject: Planning application Objection

Good morning Mr Davis,

I would like to object to planning application BR/215/18/PL, at 75 Highfield road bognor Regis ,this is for 6 flats with no off road parking,I live at 69 and work shifts and can tell you now that if I did not have my own driveway I would not be able to park any where in my road , I get people now park across my driveway which has caused issues already so with 6extra flat which could mean up to 12 new cars in the road it will be a nightmare ,why is planning not making parking a requirement in these areas as this impacts the whole road ,if off-road parking was put in this would help resolve this ,also the disruption to the road over the months ahead will cause bottle necks in the road as space is a premium when lorries and other large vehicles will be coming and going all day , if you would like to visit the location after 6pm you will see the lack of space in the road ,hope to hear from you soon to discuss further ,

Thanks in advance

Regards

Gary Noble

69 Highfield road (next door)
