12th November 2018

Dear Sir,

75 Highfield Road.

Application GR/215/18/PL.

I wish to record my objection to the proposal to build 6 flats on this small site.

The loss of 1 parking space off road and the addition of a potential 12 cars to be parked on an already over crowded road used as a short cut between the roundabout and Hounslow Way should not be considered.

I feel so strongly about the further degradation of what was once a pleasant area to live that I would appreciate if you could find time to phone me to assure me that your head received this letter.

Yours faithfully

[REDACTED]
