Dear Nick,

I have received your plans and will look at these before the end of the week. However, in response to your voice message and your clients email below, I would like to request an Extension of Time until the end of January 2019. There are currently 22 applications in the queue ahead of yours which I need to do first and please also note that the offices are closed during Xmas week.

Kind Regards

Dear Simon

I understand you discussed our plans with our architect, Nick Hopper, a few weeks ago. I am still waiting for the revised plans from Nick. Im aware that the decision date is fast approaching, so I thought it prudent to check that we are still ok for time?

Kind regards,
Trish Paul.
