Good afternoon,

We are representing the neighbour in this case Mr J. Polonczyk, owner of 87 Highcroft Crescent, whose rear boundary directly runs along the area of the application.

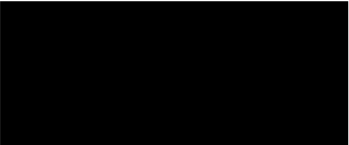

I attach the Google maps image of the land in question, dated May 2012, in which you can clearly see the applicants fence running along the edge of the passage. It can also be seen on the ordnance survey maps of the area, that it is a passage way formed at the time of the original layout of the estate.

We therefore object to this loss of amenity land. It should be clearly established in whose ownership this land belongs, we believe it is local authority land as it is clearly looked after with the roadside grass verges.

Kind regards

Brian Elstone.
