Dear Simon,

Sorry this is so late. Environmental Health has no objections in principle to this application. Please place the following conditions on any permission given:

1. The use hereby permitted shall not be commenced until the equipment detailed in 'Supporting Information on the Proposed Extraction System and Plant at 91-93 Hawthorn Road, Bognor Regis, PO21 2BE' dated June 2016 to discharge odours and fumes from the cooking process shall have been installed and be in full working order to the satisfaction of the Local Planning Authority.
2. The extraction equipment installed in pursuance to Condition Number 1 above shall be regularly maintained to ensure its continued satisfactory operation and the cooking process shall cease to operate if at any time the extraction equipment ceases to function to the satisfaction of the Local Planning Authority.
3. The drainage serving kitchens at commercial hot food businesses shall be fitted with a grease trap/separator of a proportionate capacity to effectively contain grease residue arising from the estimated numbers of hot meals served and waste water flow rate. The applicant shall provide the Local Planning Authority with details of their proposed grease trap/separator in order to demonstrate design and installation will be in compliance with BS EN 1825-1:2004, & BS EN 1825-2:2004
4. The use of the premises shall be restricted to the hours of 11.00 to 23.00 daily.
5. All plant, machinery and equipment installed or operated in connection with the carrying out of this permission shall be so enclosed and/or attenuated so that the rating level of noise emitted does not exceed the background sound level, when measured according to British Standard BS4142: 2014 at any adjoining or nearby noise sensitive premises.
6. No deliveries taken at or dispatched from the site except between the hours 11.00 – 21.00 Monday to Saturday and not at any time on Sundays, Bank or Public Holidays.

Regards

Fiona
