Simon

That's great. Thank you. Friday would be acceptable but cannot slip further.
All the best.

Dear Tim,

I have finished the report, recommending approval and will now pass through to my Team Leader. He does not believe he will have time to review the report until Friday and asks therefore if you can agree to an Extension of Time until Friday 27th April. Please could you confirm.

Please also see attached draft list of conditions. There should not be any surprises in there.

Kind Regards
