Hi David,

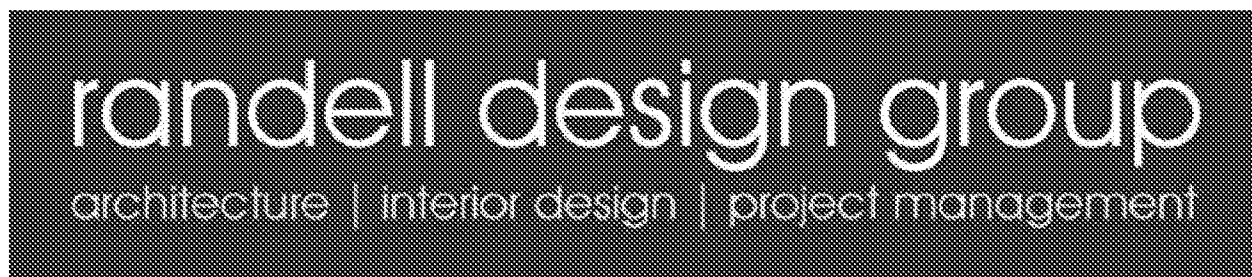

Regarding the above two applications to resolve conditions on the planning application for The Royal Hotel in Bognor Regis.

I have just noticed there has been an error in the applicant/agent fields due to autofill on the planning website! It appears to have entered Randell Design Group as both applicant and agent, when in fact the applicant should be Metamorph Management Ltd (as per the original application).

If you could kindly update the application that would be appreciated.

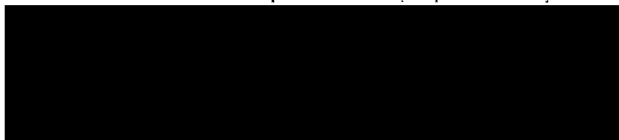

Thanks very much,

Shannon Meredith | Architectural Designer
