Dear Sirs

Application BR/21/26/PL – 54 Richmond Avenue, Bognor Regis

I have just learnt about the above planning application. As I live in the above address, I feel an HMO property will cause even more congestion to parking in the area.

As the road I live in [REDACTED] is often so packed with vehicles, because people that live in Aldwick Road often park there.

[REDACTED] apparently had planning permission denied because of the parking issues.

Yours sincerely
