I am assuming the entrance
to the two proposed flats
will also be in

Little High Street

Re: Plan BR/220/17/PL
at Central House, 18 Waterloo Square,
Bognor Regis.

I believe this is a good plan
for the use of the building.

One important point to ensure is:

- That there is adequate provision
for refuse within the confines
of the property until collection
day.

In the past, there has been a problem
with the refuse from this property.
