Simon,

Thank you – I can confirm it is the intention for new and replacement windows to be slimline timber framed double glazed units rather than PVCu. New doors will also be timber units.

Regards,

Phil,

Dear Phil,

Please note that our recommendation includes a condition requiring that new/replacement windows and doors have timber frames. This follows the advice of our Conservation Officer. Please confirm this is acceptable as I note that you had specified PVCu in the application.

Kind Regards
