Hi Jodie,

The plan is there under a different name i.e. "Drainage levels 2018-D1414-4100" is the same plan as "Site layout, levels & drainage 2018-D1414-100"

Kind Regards

Hi Simon

I am just looking at the plans for the above planning application and noticed that the Site Levels, Layout and Drainage plan appears to be corrupted. An error message appears saying File not found.

Are you able to re upload this and let me know so that I can get a response to you prior to 7/11/2018.

Thank you

Kind regards

Jodie
