Dear Clare,

We have recently had advice from our Group Head of Planning that Development Control Committee reports will not be signed off (i.e. reports will not get on the agenda) unless EoT's are in place.

In Mark's absence, Satnam could agree to the EoT.

Kind Regards

Dear Simon

Our client is concerned that your proposed delay in planning will affect the funding for the project. Furthermore he is unable to agree to the extension of time currently as he is away from work on medical grounds and will be for some time. Can you please advise of the consequences if we do not agree to the Extension of Time?

Regards
Clare

Dear Claire,

As discussed on the telephone earlier, it has not been/will not be possible to get the application written up for Committee for either the December or January meetings. This is/has been due to external factors beyond my control which affected my ability to meet the Committee agenda deadlines. I have therefore scheduled to take the report to our February 13th 2019 Meeting for which reports must be done during week commencing 21/01/19.

I would therefore be grateful if you could agree to An Extension of Time until the 15th February 2019.

Kind Regards
