Hi Nick,

Due to the Town Council objection, this application will be going to our 24/11/21 Committee meeting. Therefore, can you agree to an extension of time until the 27th October please?

I note there are some photos in the Design and Access Statement but I wonder could you or your client supply me with some additional images showing the rear west elevation (ideally taken from the rear of the garden), the garden, the flank south elevation and of the new parking area as I will need these for the Committee presentation? Please note that we will need to upload any additional images you supply to our public website so please try to ensure that no faces or number plates are visible (or otherwise I will block these out at my end).

Kind Regards
