hi Stuart

further to a meeting earlier today with Lucas and his Managing Director I write to confirm that we wish to withdraw our application for Listed Building Consent at the Royal Norfolk (BR/223/18/L). We thank you for taking the time to visit, hopefully your visit will not have been in vain as Leisureplex are now looking at submitting a revised scheme in the near future

Regards Steve

Steve,

Thanks for the email. I suggest you contact your client and confirm their wishes, as from our meeting it was clear that the internal configuration had significantly altered from what was initially submitted.

I await your response.

Kind regards

Hello Stuart

I was unaware of these changes until your visit. I assume that if we proceed with the scheme already validated then you have sufficient information for the application to progress? The cross section requested could only be provided once the works commence

Mr Farrell,

Further to Officers meeting on Tuesday 23rd October 2018, I would like to thank Lucasz for a full tour of the Hotel and the areas where the work is proposed.

In order to progress the application the Officers request a full set of revised plans clearly showing all demolitions and all proposed alterations. An existing and proposed works plan which is colour coded would assist us to full understand the intended works going forward.

In addition it is suggested by the Councils Conservation Officer that where the floor level is stepped up in room 20, exploratory works by raising a floor board to the main room and bathroom to understand if it is possible to lower the floor would be helpful. A cross section at 1:20 would be required to highlight the intended works in this respect.

Please don't hesitate in contacting me if you have an questions on this matter, otherwise I look forward to the further information as requested.

Kind regards
