Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

CONDITION 2 No development shall be carried out unless and until a schedule of materials and finishes to be used for external walls and roofs of the proposed dwellings have been submitted to and approved by the Local Planning Authority and the materials so approved shall be used in the construction of the dwellings.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a building of visual quality in accordance with policies DEV1 of the West Sussex Structure Plan and GEN7 of the Arun District Local Plan.

CONDITION 3 The windows on the front and rear elevations of both properties servicing the bathrooms and the window on the rear elevation at first storey level of the dwelling within plot 2 servicing the bedroom shall at all times be glazed with obscured glass.

Reason: To protect the amenities and privacy of the adjoining property in accordance with policies DEV1 of the West Sussex Structure Plan and GEN7, DEV19 of the Arun District Local Plan.

CONDITION 5 The dwelling hereby permitted shall not be occupied until provision has been made within the site in accordance with details to be submitted to and approved by the Local Planning Authority to prevent surface water discharging onto the public highway.

Reason: In the interests of road safety and to accord with approved policy in accordance with policies DEV1, NE17 of the West Sussex Structure Plan and GEN7 of the Arun District Local Plan.

CONDITION 6 The building hereby permitted shall not be occupied until both accesses to the site other than hereby approved have been stopped up permanently and obliterated.

CONDITION 7 The access to the proposed dwellings shall be laid out to provide visibility splays on each side of the access in accordance with plans and details to be submitted to and approved by the Local Planning Authority. These splays shall be 1.5 metres by 1.5 metres on each side of the proposed access.

No other work shall be carried out on the site until the above-mentioned sight lines and splay lines have been provided and thereafter the said sight lines and splay areas shall be kept free from any obstruction to visibility in excess of 0.6 metres above the level of the adjoining carriageway.

Reason: In the interests of road safety in accordance with policies DEV1, NE17 of the West Sussex Structure Plan and GEN7 of the Arun District Local Plan.

NOTES RELATING TO PLANNING APPLICATION TOWN AND COUNTRY PLANNING ACT 1990

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the First Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so within 6 months of the date of this notice using a form which you can get from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

PURCHASE NOTICES

If either the local planning authority or the First Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town & Country Planning Act 1990.
