Dear Sir/Madam,

Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/225/25/PL
Site Address: Land adjacent to Bognor Regis Station Station Road Bognor Regis PO21 1QF
Description of works: Installation of black, 450mm railings on existing planter walls. This application affects the setting of a listed building, affects the character and appearance of the Bognor Regis Railway Station Conservation Area and is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 31st January 2026 which has been recorded as no objection with the comments as follows:

OWPC81177

I have no opinion to express on the installation of the railings itself. I agree with the Heritage statement put forth and if installed, I believe any railing heads should be decorative and follow the Edwardian architecture of the main railway station building.

Your views as made above will be considered before the application is determined.
