6th September 2010

Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

The entrance road is to be widened in two locations; at the south eastern entry to the site from Upper Bognor Road, and to the south of the eastern car park. A number of trees along the access route will require trimming or removing.

Bognor Regis Campus Upper Bognor Road Bognor Regis

Thank you for your internet comments made on 6th September 2010 and recorded as follows:

NO OBJECTION subject to the approval of the ADC Arboriculturist. It is recommended, if approved, that no work should be carried out if any birds or bats are nesting. Concern was expressed whether the removal of trees is necessary, as the trees are a fundamental part of the Conservation Area, and the removal of them will change the setting they are in.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
