Dear Stuart

In response to your email dated 8 February 2019

We confirm that Sunday and Bank Holiday access and use to the unit between 10 am and 4 pm is acceptable.

With regards to the area to the front of the garage and parking this is all unaltered. There are double yellow lines there. Also we will never be hindering the parking to the Road as on approach we will drive directly into the garage.
There will be two roller shutters to the front with pier between. This is to ensure security of the premises.

The van would be in a the approximate position shown on the floor plan, the surrounding internal area used for storage leaving clear space for the van to enter and exit.

The business name is Arun Meat and Livestock Company, 15 The Quarterdeck, Kings Parade. Aldwick. PO21 2FZ. Anthony Clay is the sole owner.

Storage items would be flat pack cardboard boxes, boxes of polythene bags, plastic trays, spare metal hooks, company books and accounts for HMRC and personal storage of a large book collection.
