Witness Statement – Chris Allsopp- Manager of the Picturedome.

I do not know the exact date when the upstairs of the Picturedome was first used as a flat but I do know that whilst I was employed there in 1964 the manageress Miss Bette Smith, lived there with her partner. It was still being used as a flat in 1970 when I left and when I returned in 1985. Over the years I can recall a number of the managers who lived there for various lengths of time, a Mr J Millbrook and a Katherine Aldridge amongst others.

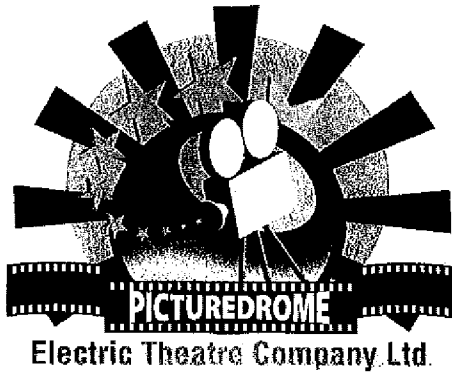

A Mr P Walker took over the cinema in 1966 and apart from the odd relief manager the flat remained empty as he did not want any tenants. The flat has never been used as anything other than a flat.

Witness Statement – Cllr. Adam Cunard.

I took on responsibility for the flat on 30th August 2011, the last tenant left on 30th September 2011 (approx.) and I moved in after some refurbishment on 16th December 2011.

To my knowledge there have been some gaps of occupation, but I am unable to provide precise details; the statement provided by Chris Allsopp is more comprehensive. I know that the flat had been occupied for the last 18 months by the deputy manager of the cinema, Jade Samways.
