Subject: RE: Outstanding applications

Hi Dawn,

Re Pevensey, I wasn't aware that our engineers are consulting County on this. I have actually started to write the application up (intended for refusal). My advice from Head of Planning is that this either goes to November Cttee (14/11) or it is refused under delegated powers. In theory then you have until the agenda close date (26/10). However, there may be pre-commencement conditions if we recommend approval which I will need to agree with you/Peter and these will need to be agreed before the agenda close date. I will find out the state of play with our Engineers and then also take advice from my Team Leader.

Have a nice holiday.

Kind Regards

Simon J Davis MRTPI | Principal Planning Officer, Planning Department, Directorate of Place, Arun District Council |

Subject: Outstanding applications

Hi Simon,

Just to let you know that I am on holiday from tomorrow until 24th.

On Pevensey Road, your engineers are awaiting a response from WSCC as lead flood Authority. I assume that if they raise no objection then you will prepare a Committee report. If they object then perhaps wait until I return? If anything is really urgent then I'm sure Peter can help as this is a Henry Adams job.

Thanks for all your help and hope the workload is improving.

Dawn
