Dear Simon,

Yes we are happy to grant an extension of time until 07 September to enable us to complete the additional drainage details and for you to consult your engineers. It would be helpful if we could have the response of the tree officer and appreciate that you will be chasing this up.

Regards

Dawn

Hi Dawn,

It is looking unlikely that we can make the August Committee as the deadline is the 16th July which is less than 2 weeks away. I note that the drainage has not been resolved (you are providing additional information and we would then need to get their response to this) and I also need to chase our Tree Officer for his response. Can we agree a further extension until the 7th of September just in case this cannot go to the August Committee and must go to 05/09/18 instead.

Kind Regards
