Dear Sir / Madam.

I have only just recently become aware of the above planning application, and apologise for the delay in commenting. I live directly opposite the property in question and after reviewing the proposed elevations and plans would be more than happy to support the proposed planning application. I feel the renovations would provide a more balanced and aesthetic look to the property rather than the somewhat disjointed appearance of neighbouring properties that also have second storey dormer extensions.

Kind regards

Nick Courtnadge
