12 Wadhurst Close Close Ref: BR/230/11

Further to my sister's recent e.mail the large extension in the front of 12 Wadhurst Close is contrary to the Planning & Development Regulations 2001-2009 and should be removed as there are no mitigating circumstances. It is a blight on the neighbourhood and detracts from the visual amenity of the area.

It is a statutory obligation for the Council to locate and rectify illegal planning developments within the borough, and ensure that a consistent approach is adopted to all applicants whether they live in Aldwyck Bay or North Bersted.

I therefore wish to object to this extension in the strongest terms and hope the Council will instigate the necessary legal action.
