

LETTER	REVISION	DATE

The floor plan illustrates a two-story residential building with the following layout:

- Flat 1 (Top):**
 - Living Area:** Located at the front (top) of the flat.
 - Kitchen:** Situated to the right of the living area.
 - Bathroom:** Located below the kitchen.
 - Bedroom:** Situated to the left of the bathroom.
 - En-suite:** Attached to the bedroom.
 - Entrance Hall:** Provides access from the lobby to the living area and bedroom.
 - Lobby:** The main entrance area for Flat 1.
- Flat 2 (Bottom):**
 - Living Area:** Located at the front (bottom) of the flat.
 - Kitchen:** Situated to the right of the living area.
 - Bathroom:** Located below the kitchen.
 - Bedroom:** Situated to the left of the bathroom.
 - Bedroom:** A second bedroom located at the rear (bottom) of the flat.
 - Entrance Hall:** Provides access from the lobby to the living area and bedrooms.
 - Lobby:** The main entrance area for Flat 2.
- Common Areas:**
 - Staircase:** Located on the right side of the building.
 - Store:** A small storage room located near the rear bedroom of Flat 2.

Floor plan of Flat 3, showing a living area, kitchen, two bedrooms, a bathroom, and a shower room. The plan includes a central entrance hall and a staircase. The layout is symmetrical, with a central corridor connecting the rooms. The living area is at the front, followed by the kitchen and two bedrooms. The bathroom and shower room are located at the rear. The plan also shows a small balcony area at the rear.

The diagram illustrates a complex geometric structure, likely a component of a larger system. It features a central rectangular void, possibly representing a channel or a cavity. The structure is composed of numerous thin, parallel lines forming a grid-like pattern, suggesting a mesh or a lattice. The top part of the structure is a rectangular frame, and the base is a large, stepped pyramid-like shape. The entire structure is outlined in black, with internal lines in yellow and orange, indicating different materials or layers. The diagram is set against a white background with a light gray grid.
