Hi Steve,

Would you be able to agree an extension of time until 18 December 2019 to allow sufficient time for the S106 agreement to be finalised for the above application?

I note that the application is due for determination on Wednesday of this week and to prevent the issuing of a refusal of planning permission on the basis of the absence of the 106, it is within all party's interests to extend the determination date. However, please note that if no S106 is provided throughout shortly then we will have to issue a refusal of planning permission.

I trust this makes the matters clear. I look forward to hearing from you at your earliest convenience.

Kindest regards,

James Cross MRTPI
