Dear Mr Bell,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: The proposal seeks to replace the existing shop front. This will be similar in appearance to that of the existing however it will have double glazed panes of toughened glass, to replace the existing single glazed glass. In addition the tops of each pane will not be obscured by the current wooden arches. The base of the shopfront underneath the window frames is a wooden framework which is currently rotten and will also be replaced with a brick wall covered in a white rendering, similar to next door at 66 Aldwick Road. The wooden front door will also be replaced for a PVCu door with the current door sill being replaced with a wheelchair friendly version.
